MISSION

To entertain and enrich the lives of people of all ages and backgrounds throughout the Berkshire region by providing accessible and affordable performances of a broad range of operas with the highest artistic standards

HUMANITIES EXPERTISE

Aside from the festival performances, the company also has a program called the **Ovation Club** which is an independent social and educational organization run by a volunteer committee of Club members and overseen by the staff of Berkshire Opera Festival. Through talks, concerts, parties and networking events, the Ovation Club will develop new audiences and support the growth of the Berkshire Opera Festival. These programs are open to all- with hopes to get beginners to this art involved.
