### MISSION

This association is committed to promoting and summarizing events and locations that are located inside of the Berkshires.

---

### HUMANITIES EXPERTISE

The association is interested in a diverse multitude of events and locations that are rich in history or adventure. There are sections of promotion that are focused on the culture of the area that deepen visitors understanding holistically. The tourism focus is not simply to get people to spend money, there is a push for spending time doing the free events as well.
