MISSION

To preserve Jazz, America's indigenous art form and nurture its growth by presenting high quality jazz programs, fostering jazz education and promoting the local jazz scene.

HUMANITIES EXPERTISE

Their hope is to make Pittsfield a stronger home for jazz music. Accessibility to the program is one of the main hopes. In an effort to keep prices at an accessible level, the Pittsfield CityJazz Festival has successfully partnered with several local, regional, and national organizations to underwrite various components. Beyond that there is hope to keep all programs and events free to the public to ensure maximum accessibility.
