MISSION

An event for the Latino Community to show its enthusiasm and its capability of social integration with the rest of the population.

HUMANITIES EXPERTISE

With the participation of local Latino families and young Latino students from BCC, the presentation of dance groups was organized, with bountiful typical costumes made by Latino housewives. Sales of typical Latino dishes from different regions were set up, and the culture of the various countries in Latin America was displayed. It is an educational celebration that explores cultural importance.
