MISSION

ROOTS Teen Center recognizes and upholds the inherent worth of all northern Berkshire teens and young adults. We strive to create an environment where young people feel heard, encouraged and empowered.

HUMANITIES EXPERTISE

ROOTS is a place where young people can explore new ideas, new forms of expression, and new experiences. ROOTS is a place for youth to safely explore and express their thoughts, ideas, hopes, and struggles. ROOTS encourages young people to build healthy, strong, and nurturing relationships with each other, mentors, volunteers, and the larger community.

HUMANITIES RESOURCES & PROJECTS

PROGRAMS & RESOURCES

- [Youth Board](#): The Youth Board is a vital and important part of ROOTS. Members of the Youth Board will help to tell the story of the Teen Center to the greater community. ROOTS aims to always have representatives from the five local high schools (Drury, Hoosac Valley, McCann, Mt. Greylock, Bart) in Northern Berkshire as well as young people that represent other groups and organizations as well.
- [Programs](#): ROOTS mission is to support the voice of young people in the northern Berkshires. Community members can go to a youth board meeting and make their voice heard; suggest an activity or program, plan an event or start a club. * *Current program offerings are listed online.*
- [Volunteer](#): ROOTS believes that young people in the community have the capacity to change the world. Fill out the volunteer basic intake [online](#) to get started.
