## HUMANITIES RESOURCES & PROJECTS

### PROJECTS & EVENTS

- [Restoration](#): Since the campaign to restore the 1854 Town Hall was launched in 2009, the West Stockbridge Historical Society has raised over \$475,000 from its loyal supporters, and through state and private grants. The reopening of the Town Hall has acted as a major catalyst in the rebirth of the village center, both commercially and culturally.
- [Concert](#): The West Stockbridge Historical Society from time to time presents benefit concerts to help raise funds for the restoration of our 1854 Town Hall. The Old Town Hall was in times past a site for community events, programs and concerts, so we are proud to be carrying on this tradition.
