## UNLIKELY CONVERSATIONS – PART 3 DECEMBER 14<sup>TH</sup>

Wrapping up the 3-Part Unlikely Conversations Series, the Institute for the Arts and Humanities (MCLA-IAH) is collaborating with our Berkshires arts and culture partners to discuss the malpractice of unpaid internships in the arts realm. IAH intern, Declan McDermott, will discuss this topic with panelists in a live-streamed event, and prompt participants to interrogate the ways they and surrounding organizations have approached internship funding in the past, and how this can be improved in the future, both individually and on the industry scale.
