Classroom Delivery Methods:

Face-to-Face
- Physically in the classroom at all times (building and room number listed for all days)

Asynchronous Online
- Fully online but don't need to be present or to log in at a particular time (indicated by TBA with no day or location listed)

Synchronous Online
- Must log in at the time listed on your schedule; online in real time (days and times listed but no building/room number)

Blended
- Combination of face-to-face and online; schedule reflects face-to-face days with a building and room number—other days synchronous online
